The purpose of WACYPAA is to build and strengthen unity in Young Peoples Groups in Alcoholics Anonymous in the western area of North America and Hawaii. The focus is especially to reach those areas which historically had little exposure to such conferences. The WACYPAA Advisory Council and the members of the Conference will encourage the participation from all states, provinces, and countries within the scope of the Conference. All bids will be given equal consideration regardless of size, population, or location. We recognize that not all AA members will find our conference necessary to their recovery from alcoholism, we seek only to provide it for those who find it desirable.

Each year, AA conferences provide overwhelming evidence that large numbers of alcoholics are achieving a lasting and comfortable sobriety in Alcoholics

Anonymous. These conferences offer an environment for celebration of our sobriety, as well as an opportunity to meet and share experience, strength, and hope with AA members who reside in areas other than their own.
